OUR VALUE PROPOSITION:

The Entrepreneurs' Organization enriches members' lives by providing benefits drawn from three dynamic areas: peer-to-peer learning, once-in-a-lifetime experiences and connections to experts.

Direct Peer-to-Peer Learning

Members share the personal and professional issues they face in a confidential, non-competitive environment. They learn and grow by sharing experiences with their peers, not simply by listening to advice.

Once-in-a-Lifetime Experiences

Not only do EO members attend unique conferences in cities all over the world, but they also receive access to exclusive social events, behind-the-scenes invitations and exciting networking opportunities.

Connections to Experts

EO members tap into a network of experts on an as-needed basis, drawing from the experience of others in areas such as medical treatment, business advice, life-skills coaching and more.
